Biography of Martin A. Marshall

Dr. Martin A. Martin is senior associate director of Agricultural Research Programs, assistant dean, and professor of agricultural economics at Purdue University, School of Agriculture. He is responsible for all federal formula funded research project reviews and reporting to USDA-CSREES as well as multi-state research projects for the School of Agriculture, School of Consumer and Family Sciences, and School of Veterinary Medicine . He is the liaison with several Indiana organizations including the Indiana Soybean Alliance, Indiana Pork Producers Association, Agricultural Alumni Seed Improvement Association, Indiana Crop Improvement Association, and the Farm Policy Study Group. He is active in various capacities with the North Central Regional Association of Agricultural Experiment Station Directors (NCRA). He continues to supervise the research of graduate students in the Department of Agricultural Economics, serves on the Purdue University Institutional Biosafety Committee and is chair of the Purdue University Department of Bands Advisory Board. He is involved in several international activities, especially in Latin America.

Collection Description

Scope

The Marshall A. Martin agricultural oral history interviews (1993; 0.2 cubic feet) includes three DVDs containing five interviews with prominent regional and national figures in the field of agriculture. The five individuals interviewed are Earl Butz, Jim Moseley, Robert Thompson, Don Paarlberg, and Will Erwin. The interviews were created for a senior level agricultural policy class at Purdue University, School of Agriculture in the Department of Agricultural Economics under the direction of Marshall A. Martin. Each interview opens with a few words about the interviewee's Purdue connection, goes on to discuss their involvement with agricultural policy, and closes with comments about career opportunities for students. The type of material is DVD files
